

About the Bus Service

The Amesbury HOPPA bus service runs Monday to Saturday and covers two routes, one is **RED** the other is a **BLUE**. Both services start at the Tesco supermarket on London Road and incorporate the town centre before returning to Tesco. The **RED** route travels via Butterfield Drive while the **BLUE** route travels via Raleigh Crescent. Both service routes are highlighted on the bus. Intending passengers should note the current route displayed by the door before boarding to ensure that their alighting point is served. Conditions of travel are posted on the bus or obtained from CTSW.

Cost of Travel

Travel is free for Concessionary Bus Pass Holders. For others travel is inexpensive, children up to 5 years travelling free, with older children up to age 16 years, travel as per fares shown.

Catching the Bus

The Amesbury Hoppa stops at regular bus stops, but subject to road safety can be hailed by extending the arm in good time for the driver to stop. The bus is equipped with a ramp to assist wheelchair users with boarding and alighting, unfortunately the bus service is unable to carry more than one wheelchair user. At no point are any passengers allowed to stand whilst the bus is moving.

Further Information

In trying to provide a service for as many people as possible, the bus may arrive a few minutes after the advertised time at intermediate locations on the timetable.

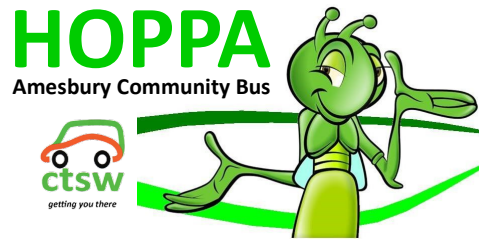

At bus stops and other points, intending passengers should give clear hand signals in good time.

Away from bus stops, drivers will only stop on request where it is safe to do so away from parked cars, road junctions, etc.

When paying a fare, coins rather than notes would be welcomed.

Ensure you leave nothing on the bus. Should passengers believe they have left an item on the bus contact CTSW on **01722 414566**, or email: ctswsalisbury@outlook.com

In the case of unavoidable disruption to services CTSW shall not be liable for losses, damages, cost or inconvenience that is suffered as a result. CTSW will make every effort to minimise any disruption to the HOPPA service.
